DEPARTMENT OF THE INTERIOR

National Park Service

Notice of Inventory Completion: University of Oregon, Oregon State Museum of Anthropology, Eugene, OR

AGENCY: National Park Service, Interior.

ACTION: Notice.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains in the possession of the University of Oregon, Oregon State Museum of Anthropology, Eugene, OR. The human remains were removed from Grant County, OR.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003 (d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

A detailed assessment of the human remains was made by Oregon State Museum of Anthropology professional staff in consultation with representatives of the Burns Paiute Tribe; Confederated Tribes of the Umatilla Indian Reservation, Oregon; and Confederated Tribes of the Warm Springs Reservation of Oregon.

At an unknown date, human remains representing a minimum of one individual were removed from the "Aldrich Mtns south Dayville," Grant County, OR, by an unknown person. The human remains were donated to the museum by a private donor. No known

individual was identified. No associated funerary objects are present.

The Aldrich Mountains border the upper John Day River Valley. Historical documents, ethnographic sources, and oral history indicate that the Umatilla and Northern Paiute people have occupied the upper John Day River Valley since precontact times. Based on skeletal evidence of heavy dental wear, the human remains were determined to be Native American. The human remains were recovered from the aboriginal lands of the Umatilla or Northern Paiute. Descendants of the Umatilla are members of the Confederated Tribes of the Umatilla Indian Reservation, Oregon; descendants of the Northern Paiute who used this area are members of the Burns Paiute Tribe and Confederated Tribes of the Warm Springs Reservation of Oregon.

Officials of the Oregon State Museum of Anthropology have determined that, pursuant to 25 U.S.C. 3001 (9-10), the human remains described above represent the physical remains of one individual of Native American ancestry. Officials of the Oregon State Museum of Anthropology also have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Burns Paiute Tribe; Confederated Tribes of the Umatilla Indian Reservation, Oregon; and/or Confederated Tribes of the Warm Springs Reservation of Oregon.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the human remains should contact Pamela Endzweig, Oregon State Museum of Anthropology, 1224 University of Oregon, Eugene, OR 97403-1224, telephone (541) 346-5120, before January 29, 2009. Repatriation of the human remains to the Burns Paiute Tribe; Confederated Tribes of the Umatilla Indian Reservation, Oregon; and/or Confederated Tribes of the Warm Springs Reservation of Oregon may proceed after that date if no additional claimants come forward.

The Oregon State Museum of Anthropology is responsible for notifying the Burns Paiute Tribe; Confederated Tribes of the Umatilla Indian Reservation, Oregon; and Confederated Tribes of the Warm Springs Reservation of Oregon that this notice has been published.

Investigation No. 337-TA-612]

In the Matter of Certain Nitrile Gloves and in the Matter of Certain Nitrile Rubber Gloves; Notice of Commission Determination of No Violation of Section 337; Termination of the Investigation

AGENCY: U.S. International Trade
Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined that there is no violation of 19 U.S.C. 1337 by respondents in the above-referenced investigation. The investigation is terminated.

FOR FURTHER INFORMATION CONTACT:

Michelle Walters, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 708-5468. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted Inv. No. 337-TA-608 on July 6, 2007, based on a complaint filed by Tillotson Corporation d.b.a. Best Manufacturing Company ("Tillotson"). The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain nitrile gloves by reason of infringement of various claims of United States Patent No. Re. 35,616 ("the '616 patent"). The complaint named over thirty respondents. The Commission instituted a second investigation, Inv. No. 337-TA-612, on August 22, 2007, based on a complaint filed by Tillotson. That complaint also alleged violations

of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain nitrile gloves by reason of infringement of various claims of the '616 patent and named seven respondents. On September 19, 2007, the ALJ consolidated Inv. No. 337-TA-608 with Inv. No. 337-TA-612.

On August 25, 2008, the ALJ issued a final ID and recommended determination on remedy and bonding in the above-referenced consolidated investigation, finding that the active respondents did not violate section 337. Specifically, he found that while the majority of accused gloves infringe claims 17, 18, and 19 of the '616 patent, the asserted claims are invalid. He concluded that when the patentees amended the claims through a reissue application filed more than two years after the grant of the original patent, they improperly enlarged the scope of the claims, rendering them invalid. The ALJ further concluded that the claims are invalid because the patentees filed a defective reissue declaration when applying for the reissue patent. He rejected other arguments of invalidity and unenforceability. Accordingly, the ALJ concluded that respondents had not violated section 337.

On September 8, 2008, complainant Tillotson filed a petition for review, as did several respondents. On September 16, 2008, respondents filed a response to complainant's petition and complainant filed a response to respondents' petition.

On October 24, 2008, the Commission determined to review a portion of the ALJ's ID and requested briefing from the parties on the issues under review and on remedy, the public interest, and bonding. On November 10, 2008, complainant Tillotson, certain respondents, and the Commission investigative attorney ("IA") each filed responses to the Commission's request for written submissions. On November 17, 2008, complainant, certain respondents, and the IA filed reply submissions.

Having examined the record of this investigation, including the ALJ's ID and the submissions of the parties, the Commission has determined to affirm the ALJ's determination that the respondents did not violate section 337 because the asserted claims are invalid under 35 U.S.C. 251 and 37 CFR 1.175(a) (1996), but will clarify a portion of his claim construction in a separate opinion.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as

amended (19 U.S.C. 1337), and in section 210.45 of the Commission's Rules of Practice and Procedure (19 CFR 210.45).

By order of the Commission.

Issued: December 22, 2008.

Marilyn R. Abbott,

Secretary to the Commission.
